No D1 2289-86/45 dt 29/1/46

Requests sanction to the payment of an allowance of Rs 10/- per each to the Headmaster and the Kannada pandit in the Basel municipal high school for attending to clerical work of the school with effect from 1-7-44 and 5-7-44 respectively

2) Reports the management of the school is entrusted the work to the Headmaster and the Kannada pandit, as it was not possible to secure the services of a graduate clerk on the part time pay of Rs 20/- in view of the fact that the work in connection with the opening of the said school involved heavy correspondence and accounting. By this arrangement, it is said that there is a saving of Rs 10/- per month which would have been paid as D A to the full time employee as a clerk

the payment of a clerical allowance to the Head Master is most unofficial. He has therefore, it is said, issued instructions to entrust the work that is being done by the Headmaster, to some other Asst. Master of the school.

3) In the above circumstances, the D P I. reports sanction to the payment of the allowance made to the Head Master and the panel so far and to the continuance of the arrangement for the clerical work on an allowance basis subject to the condition that the clerical work that is being attended to by the Head Master should be entrusted to an Asst. Master of the school in future subject for orders.

4) The reference received 22/2/46 from the D P I shows that the arrangement of having split up the clerical allowance of Rs 25/per month and pay it to the Headmaster of the Kumara Panel for attending to the work in the place of the Secy of the Committee of management of the Hindu Mission Convent Jaffna from 1-7-44 & 15-7-44 respectively sanctioned by Govt should have been Named there to

as dearness allowance to a full time employee as clerk. It is also stated that the management found the arrangement quite satisfactory during the year 1944-45 and that they, therefore, resolved for its continuance during the current year also and that though there was breach of principles contained in Art. 83 of the Mysore Civil Accoun Code, Volume I, it was done in the interest of work. The President requests that the audit objection may be waived and the arrangement permitted to be continued till the end of June 1946.

The payment of a clerical allowance of Rs. 10/- per mensem to the Headmaster is most inappropriate. Some other teacher should have been given the clerical work and the allowance I have therefore issued instructions to the management through the Deputy Director of Public Instruction, Bangalore, to take needful action forthwith accordingly.

But it is not desirable to recover the amounts already paid to the Headmaster towards clerical work, as it would work as a hardship on him. Further, allowances in High Schools are payable only for nine months in the year and it is not clear from the reports receive whether the payment has been made to both the incumbents for the sh ~~without adhering to the procedure~~. But as the nature of work for which the allowance is meant is such as would call for the services of the part-time workers thoughtout the year, it is desirable that the all ances may be permitted to be paid for the whole year.

In the circumstances, I recommend that sanction may be accord as a special case, to the payment of the allowances made to the Hea Master and the pandit so far and the continuance of the arrangement for the clerical work on an allowance basis in both the offices of the Secretary of the Managing Committee of the school and of the Head Master subject to the conditions that the clerical work that is being done by the Headmaster should be entrusted to an Assistant Master of the school in future.
